Subject: Application for the position of “Front-End Developer”

Dear Sir,

In response to your job advertisement published in the Programming-hero facebook group dated 08 December 2022. I would like to introduce myself to you as I believe I have the skills, qualifications, and experience necessary to make a significant contribution to your organisation.

I have completed my Diploma in CSE degree from the Department of Computer Science Engineering of Habiganj Polytechnic Institute.

I have been working as a Front End Developer for the past three years and have developed a strong understanding of the necessary skills and abilities for the role. I am proficient in HTML, CSS, Bootstrap, Tailwind, Firebase and JavaScript and have experience with React. I am also familiar with web development tools VS Code, GitHub, Vercel, Netlify.

I believe working in a reputed organisation like your one will provide me an excellent opportunity for my career. I would truly be grateful if I was finally selected for that post and I will prove myself to be an important asset for your company through my dedication, sincerity and highest level of professionalism.

Sincerely

Fayjul Islam Al Imran
