

Dear Sir,

As an enthusiastic and creative technologist with hands-on skills in a wide range of software, tools, and programming languages, I am well positioned to leverage my abilities and qualifications to thrive as Programming Hero next Front-end Developer.

Over the past 1 years, as a Front-end Developer, I have designed, developed, and launched customised, highly responsive websites and e-commerce solutions using advanced technologies. In addition, I have consistently met client expectations and project milestones while working effectively in deadline-driven environments. Please consider the following highlights:

- Designed and developed front-end for 20+ webpages using HTML5, and CSS3/Bootstrap
JavaScript, React Js

It would be a pleasure to learn more about Programming Heros needs, and I would welcome the chance to provide further insight into my technical abilities and personal attributes. Thank you for considering my candidacy for this position; I hope to hear from you soon to schedule an interview.

Sincerely,

Fayjul Islam Al Imran
